EDUCATION

University of Southern California

Bachelor of Architecture (B.Arch) and Minor in Entrepreneurship

Los Angeles, CA

Expected May 2029

EXPERIENCE

Architectural Intern

TVK - Trévelo & Viger-Kohler Architects Planners

Paris, France

May 2026 – July 2026

- Produce drawings, conceptual study models, and design iterations for current architecture and urban design projects in collaboration with TVK's urban design team.
- Support research-driven design work at the intersection of architecture, urbanism, landscape, and public space through site analysis, spatial studies, and conceptual design development.

Social Media & Marketing Chair

American Institute of Architecture Students (AIAS), USC

Los Angeles, CA

June 2026 – Present

- Lead social media strategy and marketing for chapter events, initiatives, and professional programming, strengthening engagement within USC's architecture community.

Architectural Intern

Arc & Fact

Paris, France

May 2025 – Aug 2025

- Contributed to the redesign and vertical expansion of a Latin Quarter coworking space with new apartments above.
- Produced site documentation, models, drawings, and renderings using AutoCAD, Rhino, Enscape, and Adobe Creative Suite.

Architectural Assistant

RENspace

Los Angeles, CA

Jan 2023 – April 2025

- Assisted with drawings, models, renderings, concept sketches, and design development for residential projects, including a two-story Westside Village ADU with a rooftop deck focused on efficient small-lot living.

Vice President of Visual Design

SPEC Magazine

Los Angeles, CA

Sept 2025 – Present

- Lead visual identity, editorial design direction, and layout development for print and digital stories; guide designers through weekly InDesign workshops and coordinate with writers, editors, and photographers.

Editorial Design Lead

MASH Magazine

Los Angeles, CA

Sept 2025 – Present

- Direct layout design for multi-page fashion and culture spreads, preparing print-ready editorial work and coordinating visual contributions.

HONORS, AWARDS, FEATURES & PUBLICATIONS

Dorothy S. Blessington Memorial Scholarship, USC School of Architecture 2026–2027

Selected by the USC School of Architecture Scholarship Committee for this endowed undergraduate architecture award.

USC School of Architecture Feature, "One USC School of Architecture Student's Plan to Rebuild Altadena"

Post-fire Altadena studio project featured on USC Architecture's website and social media; explored wildfire recovery, landscape-based rebuilding, material reuse, and community-centered housing alternatives.

Selected Exhibitor, USC SPACE Publications Student Exhibition Wall

Faculty-recommended Altadena studio project selected for display in Watt Hall.

SPEC Magazine Profile Feature, "Altadena Rerooted"

Featured for architecture work connecting personal experience, post-fire displacement, and community rebuilding in Los Angeles.

MASH Magazine, "From Rubble to Runway"

Wrote and designed an editorial piece translating architecture studio research into a fashion/culture publication.
